Slocum, Dr. Graham.

Feb. 9, 1945, 9.00 a. m. Meeting held at the home of the
Mission Secretary, Mr. Moncrieff.

The Mission Secretary asked last year's Moderator to take charge of the meeting, which was then formally
opened with the singing of a hymn and with prayer by the
Moderator, Mr. Vichert.

There was some discussion as to whether we should meet as a Conference, or what we should call ourselves.

1945-1. Voted, That we go into a Committee of the
Whole. Mrs. Dye was asked to act as Secretary
pro-tem po re.
1945-2. 

*Voted,* That the Mission Secretary and Mr. Vichert act as a Business Committee.

1945-3. 

*Voted,* That Mr. Vichert be re-elected as Moderator of Conference.

**Reports from Stations.** Reports of the work in the different stations were given as follows:

For Yaan: Mr. Vichert  
For Loshan: Dr. Graham.  
For Ipin: Medical Work: Dr. Criswell.  
For Ipin Educational and Church Work: Miss Archer.

Feb. 9, 1945, 2:00 p.m. The meeting was opened with the singing of a hymn, and prayer was offered by Dr. Burkett.

With the arrival of Miss Ada Nelson from Yaan, the anticipated attendance from stations outside Chengtu was complete, and the question again arose as to whether we might consider ourselves a regularly constituted annual conference. Grounds were given for expecting that absent members would approve, and it was therefore felt that we might proceed with the election of officers as for a properly constituted conference.

1945-4. 

*Voted,* That the following be elected as Nominating Committee: Dr. Criswell, Miss Ada Nelson, Dr. Dys.

**Reports from Stations** were then continued, as follows:

*After a report from the Business Committee, it was*
1945-3. Voted, That this gathering be considered as an Annual Conference of the Mission with full powers unless a majority of the members of Ipin Station Council fail to approve of such action, the other Station Councils having reported a unanimous vote in favor of a Conference with full powers.

1945-4. Voted, That a record be made of the vote on each motion, and that such actions as are adopted by a less than two-thirds vote of members in attendance at these meetings, be submitted to the absent members for their vote before they be considered as finally adopted.

1945-7. Voted, That on important matters of business a vote shall be taken only when fully two-thirds of those in attendance at Conference are present.

(Note. As fifteen members of Conference were in attendance (see list above) it be will be seen that by these two minutes no vote on important business could be taken unless at least ten of the fifteen were present, and no action was considered as finally adopted unless there was a vote of at least ten for its adoption. As a matter of record, all motions were adopted by unanimous vote.)

After a report from the Nominating Committee, it was

A comprehensive report was received from Mr. Wallace Wang, acting President of the Union Theological College. It was felt to be a very interesting and significant report, and it was sug-
tested that copies be sent to both Dr. Fridell and Dr. Lipphard, Editor of MISSIONS.
