IN MEMORIAM

Albert Henry Van Etten

On the orchid island, known as Laan Tau Shaan, twenty three members of the South China Mission met for their annual meeting at the end of August, 1940. Here four happy days were spent, enjoying the beauty of the scenery, renewing friendships, and attending inspirational meetings. At the close of the session the Rev. Albert Henry Van Etten was elected executive secretary of the Mission. He was not present at the time as Dr. and Mrs. Homer V. Bradshaw and he had remained at Linhsien.

During the month of September, due to new and unforeseen difficulties of travel, the members of the Mission were not able to return to their stations. At the end of September Mrs. Van Etten and sons at Cheung Chau island received word from Dr. and Mrs. Bradshaw that after a valiant fight with typhoid fever, Mr. Van Etten had entered the more abundant life. A service was held on the island, conducted by Dr. C. G. Fuson, on October fourth.

The Rev. A. H. Van Etten was born in Pasadena, California, in 1901. He completed his undergraduate work at the University of California. In 1925 he was graduated from the San Francisco Theological Seminary. The summer of the same year he was married to Miss Florence King of Corvallis, Oregon, who has been a brave wife and mother through fifteen disturbed years in China. Their field of service has been Linhsien, in the northwestern corner of Kwangtung Province. While on furlough in 1930-31 Mr. Van Etten took the degree of Master of Arts in Oriental Languages in the University of California.

Making known the love of God by friendliness was natural to Mr. Van Etten. The people soon felt that they knew him. Then he led them on to new lines of thought. His keenness of mind, tempered by kindness, was ever a challenge. Through intense heat in summer, cold chilling dampness in winter, weariness from all day travel afoot, and great physical danger in war areas, he made Christ known.

Through Christian literature Christ is also made known. The Christian Literature Society writes, "He was probably the most energetic user and distributor of Christian literature in all our Mission forces. He knew the books himself and was convinced of their value in his work, and made wide use of them in

many ways. He developed methods of getting books to the people, and of having them read, which have proved useful to other missionaries. Since the summer of 1935 when he visited many Conferences in China to talk about his travelling libraries, and since the booklet describing them was published, missionaries all over China have adopted similar plans, with similar widespread results. This one contribution has, we know, added a large number of Christians to the Church in various parts of China."

Libraries have been established in the chapels in the Linhsien field. When, due to war conditions, the Seung Kan University (now called the Man Lei Hok University) moved from Canton to Tung Pei, Christian members of the faculty became interested in the chapel library. They asked Mr. Van Etten to help plan a reading room in the University. This was opened on September 22nd and Mr. Van Etten was to have assisted in the exercises but he was far too ill to go. His friends, Chinese and foreign, are now planning to make real his vision by naming the student center the Lei Pok (Albert) Tse Shue Wooi, and raising a foundation fund for its maintenance.

Mr. Van Etten was a helpful visitor as well as an entertaining one, among both Chinese and foreign friends. His knowledge of radio engineering was ever at the service of others. This was particularly appreciated in the Linhsien field where, were it not for his help, expensive equipment might be useless for long periods of time. His occasional visits to Canton were a source of satisfaction to the Mission business agent, as he had had a year's experience in that office during which time he had made a study of the Mission property deeds, which were in difficult Chinese character, and had familiarized himself with government procedure in registration of property.

In public speaking as in conversation one knew the humorous side would be presented. Children knew this too and were always pleased at his arrival. This humor, with Christian outlook, wide reading and broad experience, made him a very refreshing personality. To us he is broad-visioned, unselfish, faithful, genial "Van". His cheery courage lives on in the lives of his wife and five sons of whom he is justly proud. The depths and heights of giving the only son to the Master are being experienced by the mother and shared by the sister in the homeland. It is said that the Linhsien Church feel, in a very special way, that he abides with them; it was there he lived and it was there he was called to Our Heavenly Father.

Mr. J. P. Snyder
 Miss Grace M. Rupert
 Dr. A. J. Fisher
 Dr. A. J. Fisher
 Rev. H. F. Thomson

4008. *Furlough, Delegates to Decennial Conference, antedated.* Since Dr. A. J. Fisher and Miss Gertrude Hill were elected delegates to the Decennial Conference of 1941, it was voted to recommend the antedating of the furloughs of Dr. and Mrs. Fisher and of Miss Hill, to permit the return to the field of both delegates soon after the Conference.

4009. *Furlough List.* It was voted to approve the following furloughs for 1940-41:

Name	Last Return	Sailing	Furlough
Miss Mary W. Bischoff	Aug. 30, 1934	July 1, 1940	12 months
Dr. and Mrs. A. J. Fisher	Aug. 23, 1935	July 1, 1940	12 months
Miss Gertrude Hill	Aug. 23, 1935	July 1, 1940	12 months

4010. *Furlough Study Allowance.* It was voted to request furlough study allowance for Miss Bischoff.

4011. *Rent, Evacuation Expense Account, request.* The secretary was instructed to forward the following rental charges to China Council:

HK\$60 per month	Mrs. M. S. Ady	Sept. 1, 1939-June 30, 1940
HK\$60	„ Mrs. A. H. Van Etten	„
NC \$30	„ Dr. J. S. Kunkle	Beginning May 1, 1939

4012. *Language Study, Miss Pike, request.* In view of the fact that her present assignment involves a change of dialect it was voted to request China Council to grant Miss Florence Pike NC\$10 per month during 1939-40, beginning with September.

4013. *Appropriations, Work Classes, increase.* In view of the needs of the South China Mission and the Kwangtung Synod, as brought out in the conference of the annual meeting on financial problems involving exchange, it was voted to request China Council and Board to grant to South China an increase of 40% in lieu of the change from Hong Kong to National currency, instead of the 5% already granted by Board action.

4014. *Salary, Miss Mulliken, request.* In view of the ruinous exchange rate on Hong Kong currency it was voted to request China Council to grant an additional HK\$50 per month for the salary of Miss Ruth E. Mulliken, beginning July 1, 1939 and carrying on through the year beginning Sept. 1, 1939. (It is noted that with the HK\$30 per month paid by the Mission this will make a total of HK\$200 per month to cover salary and rent; the latter then to be paid by Miss Mulliken.)

4015. *Associate, Mrs. Pommerenke, grant (provisional)* In view of the increased efficiency of Mrs. H. H. Pommerenke through her associate, Miss Faan, it was voted to approve the renewal of the grant from Class VII, Evangelism, for salary and working expenses of Miss Faan, subject to the funds being secured (SC4013); the amount to be NC\$300 for the year beginning Sept. 1, 1939.

4016. *Hackett, Substitute Workers' Fund, Dr. Wong.* In view of the exceptional circumstances it was voted to request from the Substitute Workers' Fund or any other available funds, the sum of HK\$200 per month for the salary of Dr. Ross Wong of the Hackett Medical Center, for one year beginning Jan. 1, 1940; and to request Mr. Snyder to write a covering letter.

4017. *Yeung Kong, Physician.* The secretary was instructed to write a letter canvassing the possibilities of the International Red Cross as to a refugee physician for Yeung Kong, to be assigned as early as possible.

4018. *Project, Circulating Libraries.* In view of the present difficulty in transporting books into South China, specific plans for the circulating library project requested on the Board's undesignated Evangelistic Expansion Fund, are held in abeyance. (SC 3930)

4019. *Project Forms, adopted.* It was voted to adopt the bilingual project application and report forms presented by the China Council, and to require their use in all Mission projects hereafter.

4020. *Projects, Synod, rehabilitation.* It was voted to refer to the Promotion Committee the recommendation of the annual meeting with regard to rehabilitation projects in cooperation with the Synod.

4021. *Linhsien, Hospital, equipment and building.* In view of a request from Linhsien Station it was voted to urge the China Council and Board to meet the equipment need in SC 3891, plus a sterilizer at approximately US\$150; and to ask the Station for further details as to the hospital building itself.

4022. *Land Title Fund, returned.* Note is made of the fact that the Land Title Fund is returned to the Associated Mission Treasurers, Shanghai.

4023. *Minutes, Annual Meeting, approved.* The minutes of the annual meeting were approved.

4024. *Dr. Ruland, visit.* The South China Mission looks forward with pleasure to the visit in the near future of Dr. Lloyd S. Ruland together with a representative of the China Council.

4025. *Date next meeting of Council.* It was voted to hold the next meeting of Mission Council on Nov. 15th and 16th.

Adjourned.

Gertrude Hill,
Secretary.

SOUTH CHINA MISSION

MISSION COUNCIL MINUTES

Jan. 15 and 29, 1940
Hackett Medical Center
Feb. 13, 1940
Paak Hok Tung

Numbers 4026-4056

Members Present. Rev. H. F. Thomson, Miss Lois L. Armentrout, Miss Gertrude Hill, Dr. J. F. Karcher, Mr. J. Paul Snyder.

4026. *Minutes Reviewed.* The following minutes were reviewed:

Linhsien	4001-4024
Yeung Kong	4001-4003
J. G. Kerr Hospital	Feb. 6, 1939
Union Normal School	Nov. 17, 1939
Union Theological College	Nov. 24, 1939

It is noted that while no Board of Directors is functioning for Hackett Medical Center, the minutes of the Executive Committee are submitted regularly to the Mission members of the Board.

4027. *Yeung Kong, Miss Wilcox, associate.* It was voted to grant from Class VII, Evangelism, the sum of NC\$120 for the continuance of a personal associate for Miss Wilcox, for the year beginning Sept. 1, 1939.

4028. *Linhsien, Sale of Land.* It was voted to recommend to China Council and Board the request of the Linhsien Station for permission to sell a small portion of land jutting out from the manse property in Sam Kong, amounting to approximately 40' x 65' (L61K7 separate part); the price to be determined by the current market price of land in that vicinity, and proceeds to revert to the Board.

4029. *Itineration, Dr. and Mrs. Fisher.* It was voted to grant to Dr. and Mrs. A. J. Fisher for itineration the sum of HK\$38.40 per month beginning with May, 1939.

4030. *Itineration, Mr. Refo.* It was voted to grant to Mr. Henry B. Refo from itineration the sum of HK\$28.50. It is noted that in early December of 1939 the family transferred residence to the near vicinity of True Light Middle School, which eliminates further itineration expense.

4031. *Union Theological College, supplementary grant.* Since the normal annual grant to the Union Theological College is HK\$1200 and since the change to National currency reduced it for this fiscal year to approximately HK \$367, it was voted to make a supplementary grant for the current year of NC \$ 2100 (or not more than HK \$ 700), to help relieve the burden under which the College has been placed.

4032. *Assistant Business Agent, Mr. Refo, appointed.* It was voted to ask Mr. Henry B. Refo to serve as assistant to the Business Agent, beginning April 1, 1940, to transact business in Hong Kong. It is noted that Dr. A. J. Fisher is now serving in that capacity, and that Dr. Fisher will go on furlough in the summer.

4033. *Hackett, housing.* In view of the acute housing need at Hackett Medical Center it was voted to authorize the Property Committee to make plans for the reconditioning of the former Nelson residence on the Lo Tak compound, and to report at the March meeting.

4034. *Housing, Mr. and Mrs. Snyder, assignment.* It was voted to assign Mr. and Mrs. Snyder to residence in the reconditioned Nelson house on the Hackett-Lo Tak compound.

4035. *Retirement, Dr. Dobson colleagues request.* In view of an earnest and gracious request from the church colleagues of Dr. Dobson in the Fifth District that he remain on duty to continue his estimable work in public health and evangelism, it was voted to ask the chairman of the Personnel Committee to reply to the request, stating appreciation of the honor thus done Dr. Dobson together with the conviction that his long period of service justifies retirement at the regular time.

4036. *Language Study, Mrs. Refo, request.* It was voted to request China Council to grant to Mrs. H. B. Refo for language study, the sum of HK\$25 per month for one year beginning Oct. 16, 1939.

4037. *Missionary Promotion, Mrs. Fisher, grant.* It was voted to grant to Mrs. A. J. Fisher from the Missionary Promotion Fund the sum of HK\$54 for a teacher of Chinese, for the school year 1939-40.

4038. *Language Study, Mr. Refo, part time.* It was voted that during the school year 1940-41, Mr. Henry B. Refo be granted at least two hours per day, five days per week, for language study.

4039. *Synod, Rev. C. S. Wong, SWF request.* It was voted to request China Council to renew for the year beginning Feb. 1, 1940, the grant from the Substitute Workers' Fund to the Kwangtung Synod for the salary and expenses of Rev. Wong Chaak Shang, Secretary for Evangelism; the amount to be NC\$1200.00.

4040. *Appreciation, Mrs. Selden, voted.* A letter of grateful appreciation was authorized, to be written to Mrs. C. C. Selden for the several copies of "Pearls from the Pearl River", poems written by Dr. Selden and illustrated by herself, which have been received by the Mission.

4041. *Synod, Conservation of Church Workers, request.* It was voted to request China Council to grant the sum of NC\$600 to the Kwangtung Synod to be used for the conservation of those church workers who because of the war and the scattering of congregations are left without salary, but who can be helped to support themselves and to continue their work; for the year beginning April 1, 1940.

4042. *Yeung Kong, SWF, nurse.* It was voted to request the renewal of the grant from the Substitute Workers' Fund of NC\$60 per month for the year beginning Mar. 1, 1940, for the salary of Miss Janet Tsoh, R. N., for work in the Forman Memorial Hospital, Yeung Kong.

4043. *Linhsien, Foreign Nurse, loan.* In view of the urgent request of Linhsien Station for immediate assistance in a hospital nursing problem, and notwithstanding the fact that Hackett has critical problems at this same time both in the hospital and in the school of nursing, it was voted to accede to the request for a short period loan of a Hackett foreign nurse; and to accept Miss Bischoff's offer to go at once and remain until shortly before sailing for furlough at the end of June, 1940.

It is pointed out that Hackett, the teaching institution from which the other hospitals rightly expect to draw, will thus be left with but one foreign nurse until September, 1942, since furloughs of the two nurses fall due these two consecutive years.

4044. *Linhsien, City Property, loan.* Record is made of the following minute (4013) of Linhsien Station:

"It was voted to approve the use of the San Man She and part of the Ch'an Kw'an school property in the city by the Canton Y. M. C. A., subject to three months notice by the Station, and subject to the veto of the Board. (The YMCA has followed the withdrawal of the government from Shiuchow to Linhsien. The Y may open a branch here even after the government returns to Shiuchow.)"

4045. *Synod, Kwang Chow Wan, project.* It was voted to request China Council to grant the sum of NC\$2000 to the Kwangtung Synod for a project in Kwang Chow Wan, the purpose of which is primarily to care for the Christians from various districts who are now living there in a social atmosphere fraught with great danger. It is noted that this is a joint project with the Hainan Synod, the funds to be administered through the Kwangtung Synod.

4046. *Synod, Christian Literature, request.* In view of the special needs within the bounds of the Kwangtung Synod and talent available in Hong Kong for the production of timely tracts and literature used in the Synod, it was voted to request China Council to grant the sum of NC\$600 to the Synod for printing costs.

4047. *Synod, Yiu Tribes Project, request.* It was voted to request China Council to grant the sum of NC\$1000 to the Kwangtung Synod for more intensive work among the Yiu tribes people, this being the second payment on the three year Special Evangelistic Expansion Fund project. (SC3953)

It is pointed out that the Yiu tribes project is a Synod project, being administered through the Synod's Committee of the Project Board, and that any request for funds must come from the Project Board of the Synod.

4048. *Appropriation, Mrs. Law.* It was voted to continue the appropriations to Mrs. S. T. Law at HK\$30 per month for whatever portion of the ensuing year Mrs. Law's residence is maintained in Hong Kong.

4049. *Literature Committee, grant.* It was voted to grant to the Literature Committee the sum of NC\$50 from the Literature Fund, for the purchase of books to carry on the program of Christian education in Canton.

4050. *Ming Sum School, Purchase of Property, approved.* The South China Mission records its approval of the action of the Ming Sum School Board of Directors in the purchase of the C. C. Selden house and property, and the use for same of US\$1000 from the interest of the Lucy Happer Glover Endowment Fund; the property to be held in the name of the Presbyterian Board of Foreign Missions.

4051. *Property, China Council authority, request.* It was voted to request the Board in New York to authorize the China Council to sell and to determine the selling price of the Fati-Pui Ying residence plot on the river front (part of L60B12), Houses No. 60B14 and 60B15.

4052. *Hackett Repairs, request.* It was voted to request the Board in New York through the China Council to grant to the South China Mission the difference between the sum received for repairs to Hackett residences (HK\$1278) and the HK\$3000 voted in B. L. 235/27; the amount to be taken from funds raised in America for the new hospital building project which were not called for by the building committee, due to the inability to raise funds on the field to match them.

4053. *Land, Paak Hok Tung, purchase.* It was voted to purchase the plot of land between Paak Hok Tung Mission residence No. 60E14 and the Pui Ying School property, the amount, NC\$330, to be taken from the proceeds of the rental of the Fati residence compound.

4054. *Residence, Paak Hok Tung, vacated.* It was voted that Paak Hok Tung residence No. 60E110 which is now occupied by leaders in the refugee camp, be vacated at the end of June.

4055. *Rent, Dr. and Mrs. Fisher, continued.* It was voted to request the continuation until the time of their furlough, of the rent allowance of HK\$75 per month for the residence in Hong Kong of Dr. and Mrs. A. J. Fisher.

4056. *Health Furlough, Dr. and Mrs. Fisher, request.* On recommendation of two physicians, it was voted to request China Council and Board to grant health furlough to Dr. and Mrs. A. J. Fisher, permitting them to sail in June or early July of 1940.

Date of Next Meeting. It was voted to hold the next meeting of Mission Council on March 13, 1940.

It is noted that for the first time since September the full membership of Mission Council was present, Dr. Kunkle being represented by his alternate, Dr. Karcher.

4057. *Minutes Reviewed.* The following minutes were reviewed:

Linhsien	4024-4030
Yeung Kong	4004-4006
Union Normal & Middle School Jan. 27, 1940	

4058. *History, Dr. Dobson.* It was voted to ask Dr. W. H. Dobson upon his retirement to assist the Mission in preparation for the celebration of its centennial in 1945, by assembling material for a history of the South China Mission; and to ask the Board to make available to Dr. Dobson such records as will facilitate this work.

4059. *Substitute Workers Fund, Linhsien, Dr. Leung.* It was voted to request China Council to renew the grant to the Linhsien Station from the Substitute Workers' Fund toward the salary of Dr. Leung Chi Ching for service in the Van Norden Hospital, for the year beginning July 1, 1940, at the rate of NC\$1080.

4060. *Substitute Workers Fund, Pui Ying, Miss Mulliken.* It was voted to request China Council to renew the grant from the Substitute Workers' Fund toward salary and rent of Miss Ruth E. Mulliken for service in the Pui Ying Middle School, for the year beginning Sept. 1, 1940, at the increased rate of HK\$200 per month.

4061. *Rent, Miss Mulliken, supplementary grant.* It was voted to make a supplementary grant from balances, toward the rent of Miss Ruth E. Mulliken for the year beginning Sept. 1, 1939, at the rate of HK\$20 per month. SC 4014; CC39291

4062. *Housing, Mr. and Mrs. Snyder.* In view of the fact that Dr. and Mrs. Stevenson are not returning to Hackett for another year, it was voted to rescind SC 4633 and 4034, and to assign Mr. and Mrs. J. P. Snyder to residence in Hackett House No. 2 (60D11-b).

4063. *Housing, Dr. and Mrs. Lawson.* It was voted to assign Dr. and Mrs. C. W. Lawson to residence in the first and second floors of Hackett House No. 4 (60D13-b).

4064. *Hackett Residence, addition.* It was voted to erect an additional dining-room and kitchen on the servants' quarters of Hackett House No. 4 (60D13-b), thus making a complete third floor apartment; the approximate cost to be HK\$350.

4065. *Salaries, Resident in Hong Kong.* It was voted to request that the salaries of those assigned to residence in the Hong Kong area be paid directly on a Hong Kong currency basis rather than on a National currency basis.

4066. *Projects, Special Grants.* It was voted to make the following special grants from balances (which include South China's share, US\$2400, of the special appropriation of US\$10,000 made by the Board to China Missions):

- a. NC\$1,100 Synod, Kochow Pastor's salary (Rev. Lei Yuk Chuen)-renewal
- b. 600 „ Yeung Kong Youth Project renewal

- o. 100 Mrs. H. F. Thomson, Christian literature, special
- p. 1,200 Paak Hok Tung watchmen, two each for TLMS and
PY properties for one year
- q. 540 Miss Lois L. Armentrout, associate, for year beginning
April 1, 1940

It is to be noted that in all cases in which the above grants are related to salaries they shall be applied as bonuses, not as salary increases.

4067. *Balances, HK currency, authorized.* It was voted to authorize the Business Agent to hold all Mission balances in Hong Kong currency, and if necessary to make National currency payments by HK checks, using the average rate of exchange actually received by him.

4068. *Projects, Finance reports, required.* It was voted that finance reports of the previous year be required of all individuals, institutions, and organizations receiving appropriations, before the new appropriations are paid; and that it be the responsibility of the Business Committee to implement this action.

4069. *Thanks to Board of Foreign Mission.* On behalf of the South China Mission the Council wishes to express its deep appreciation of the supplementary appropriation made by the Presbyterian Board of Foreign Missions, which has made possible the above special grants for the relief of financial burdens.

4070. *Chairman of Annual Meeting, election.* In view of the approaching furlough of the chairman-elect, Miss Alice M. Carpenter was elected to serve as chairman of the 1940 annual meeting of the South China Mission.

4071. *Linhsien Station, Property minute.* Record is made of the following minute of the Linhsien Station (LC4024):

"It was reported that the Board of Trustees of the Tung Pei church had, contrary to the prohibition of the Station Secretary, registered the property of the Tung Pei church as a leasehold from the government. It was voted to ask the Secretary to inform the American Consul General of this situation."

4072. *Date of Next Meeting.* It was voted to hold the next meeting of the Mission Council on June 26, 1940.

SOUTH CHINA MISSION
MINUTES OF THE NINETY-FIFTH ANNUAL MEETING
1940

The misty heights of Laan Tau cleared for the ninety-fifth annual meeting of the South China Mission, which was held on the mountain following a sudden change in place and time. The meeting was convened on August 29th and continued through August 31st. The annual sermon and communion service, to which the entire camp was invited, was conducted in the camp mess hall on Sunday afternoon, September 1st, by the Rev. H. F. Thomson.

The diminutive living-room of the mountain house of Dr. and Mrs. J. F. Karcher, in which the sessions were held, contributed to the success of the meeting, accentuating informality, making discussion easy and natural, and bringing the group into closer spiritual unity. Some members were necessarily absent, remaining on duty in their stations, but twenty-three were present, including Miss Vella M. Wilcox of Yeung Kong, whose retirement will fall due before another annual meeting is convened.

Miss Alice M. Carpenter opened the meeting with a call to Go On, linking her thoughts to the theme of the meeting, "Not by might, nor by power, but by my spirit, saith the Lord of hosts", and giving pre-eminence to the *regnant* God. Other devotional services were conducted by Dr. C. W. Shoop of the United Brethren Mission, the Rev. S. E. Boyle of the American Reformed Presbyterian Mission, the Rev. P. W. Jones of the Methodist Missionary Society (English), and Dr. C. W. Lawson of our own Mission. Miss Lois L. Armentrout led the group in a stimulating study of the Psalms.

Book reviews had been planned but the change in place and date of the meeting eliminated most of them. However, Dr. C. G. Fuson introduced the group to Dr. Felton's "The Rural Church in the Far East," and the Rev. M. S. Ady commended Ashe's "The Nazarene" and Hans Leitzmann's "Beginnings of the Christian Church."

A conference on Mission-Synod relationships conducted by Mr. Ady and Dr. Shoop, and one on Mission organization by Miss Burkwall, reviewed the development of the Church of Christ in China, the functioning of the Synod in its relation to the Church, and the reasons for the present plan of organization within the Mission. The former conference emphasized the outstanding need of the church,— the Christian pastor; in the latter the idea of an executive with some of the functions of a bishop again raised its head.

The reports of stations and institutions, given considerable time, were a vital part of the meeting. An "Information Please" evening gave opportunity for profitable question and answer, eliciting further details of the work of the stations, particularly Linhsien and Yeung Kong.

Among the compensations for the trip to the mountain was the sharing in the jolly social life of the enthusiastic campers.

ACTIONS TAKEN BY THE ANNUAL MEETING

4094. *Docket Approved.* The report of the Docket Committee was accepted.

4095. *Committee Replacements.* In the absence of all members of the Rules and Regulations Committee the following were asked to serve on that committee: Rev. M. S. Ady, chairman, Dr. C. G. Fuson, Mr. J. P. Snyder.

4096. *Absentee Excuses.* On recommendation of the Rules and Regulations Committee the following were excused from attendance on the annual meeting: Dr. and Mrs. H. V. Bradshaw, Dr. J. F. Karcher, Rev. C. H. Lewis, Rev. and Mrs. H. H. Pommerenke, Rev. A. H. Van Etten. Note: Dr. and Mrs. J. S. Kunkle, resident in Yunnan, are regarded as off the field.

4097. *Union Normal and Middle School, Policy.* It was voted that as a matter of policy the Mission contribution to the Union Normal and Middle School be a staff member, preferably in the Kindergarten Department. (S.C. Minutes of 1922 annual meeting, No. 119)

4098. *Union Normal and Middle School, Normal Department.* Note is made of the fact that the normal department of the Union Normal and Middle School may well be given special aid by Mission members by directing students toward that department, to enable the school to continue the significant contribution which it has made in the past.

The following reports were accepted:

4099. *Auditing Committee.* Miss Westra reported for the Auditing Committee that the books of the Business Agent had been audited and found correct.

40100. *Custodian of Medical Records.* Dr. Lawson reported for Dr. Karcher that,—a. The usual prophylactic inoculations have been completed for all members of the Mission.

b. All members of the Mission, and their families, have been given the required annual physical examination (except Dr. and Mrs. Kunkle, who are "off the field").

c. Home furlough health reports have been forwarded to Dr. Dodd for Dr. and Mrs. A. J. Fisher, and for Miss Mary W. Bischoff.

40101. *Committee on Guidance of Junior Missionaries, including Language Study.* a. In response to a request for suggestions the Committee presented the following list of books to be purchased from the Language Library fund and added to the library in the office of the secretary of the Mission :

1. Inside Asia—Gunther.
2. The Moon Year—Bredon.
3. Moment in Peking—Lin Yu Tang.
4. My Country and My People—Lin Yu Tang.
5. Outline of Chinese Symbolism—Williams.
6. The Church of the Tang Dynasty—Foster.
7. Development of Japan—Latourette.
8. Japan's Feet of Clay.
9. Secret Agent of Japan—Vespa.
10. The Patriot—Buck.
11. Today in Manchuria—Morton.
12. The Chinese are Like That—Crow.
13. Truth and Tradition in Chinese Buddhism—Reichelt.
14. Chinese Calligraphy—Chiang Yee.
15. Chinese Geography—Cressy.

b. Miss Carpenter reported the following for members now receiving Language Study funds :

Miss Rena D. Westra has completed her third year of work and has now started on her fourth year.

Dr. and Mrs. C. W. Lawson will complete the first year in September 1940.

Miss Alice H. Schaefer completed 3½ years of study in Canton and Bangkok 1923-1927. During 1939-1940 she has done half time work.

Mrs. H. B. Refo completed two years of language study in Canton 1920-1922. She has studied five hours per week in Hong Kong during 1939-1940.

40102. *General Assembly, delegate.* A report of the General Assembly was sent by Mrs. C. H. Lewis but had not reached Canton prior to the secretary's leaving the city to attend this meeting.

40103. *Language Study, policy.* Its view of a discussion which arose as to whether the missionaries arriving in 1940 should go to the College of Chinese Studies in Peking for their first year of study, it is recorded that while no such recommendation is made at this time, as a matter of policy the question remains open. It is hoped that Dr. and Mrs. R. B. Lynn and the Rev. and Mrs. M. H. Gates may have a period of study in Peking either at the close of their first term or the beginning of their second.

40104. *Language Study Record.* Following up S.C. 38111 Miss Carpenter submitted the following record of language study credits for members in their first, second and third terms, which is as complete and accurate as it has been possible to compile:

<i>Canton Station</i>	<i>Date of Arrival</i>	<i>Total Credits</i>	<i>No. of years</i>

40105. *Literature Committee.* Miss Pike reported that inasmuch as Canton lacks a Christian bookstore, the Literature Committee has acted as agent for the Synod workers. Religious posters, pictures, Sunday School literature, monthly magazines, Home Week materials, and church school religious readers have passed through the hands of the committee. Bibles have been purchased for presentation to students of the Canton church schools who complete the memorization of certain chapters of the Bible.

40106. *Publicity Committee.* Mrs. Ady presented the following recommendations of the Publicity Committee for trial during the ensuing year:

- a. That the name of the committee be *Publicity Committee*, without reference to *Reports*.
- b. That members of the Mission bring publicity material (not to exceed two typewritten pages, double-spaced) for the South China Mosaic to the Publicity Committee at annual meeting time, to be printed for distribution for Christmas mails.

40107. *Scholarship Committee.* Mr. Refo read the report sent by Dr. Karcher, which calls attention to the details given on page 20 of these minutes, and adds that NC\$600 additional was expended in moving students to Hsichow. A translation of the report of the Board of Christian Education for Church workers, which administers the Synod's scholarship funds, is quoted, "A number of other promising students have been aided in the Middle Schools such as Union Normal and Middle School and Pui Ying". Apparently none of these latter receive help from our Mission funds.

40108. *Property Committee.* Mr. Snyder reported on the deplorable condition of the Fati-Pui Ying school buildings, and the occupation by Japanese of the buildings of the Union Normal and Middle School.

40109. *Rules and Regulations Committee.* Mr. Ady presented the following revisions, due notice of which had already been given by correspondence:

Art. III: 3. Change to read, "He shall be chairman of the Promotion Committee and secretary of the Personnel, Relations, Property and Business Committees.....".

Art. IV: 2—d. Delete "who shall be chairman of the committee" and "who shall be secretary".

3—c. Change to read, "Committee for Guidance of Junior Missionaries and Language Study". "This Committee consisting of at least three members resident in Canton, one of whom should be a physician, and one from each of the other stations as corresponding members, with vote when meeting with the committee, shall be appointed annually by the Mission Council. It shall have charge of all matters connected with the guidance of and the language study of new missionaries in accordance with the Manual."

3—d. Delete "to edit the annual.....for members of the Mission; and" and "additional".

Art. VI: 4. Change to read, "forwarded by the Mission Secretary", not "by the Business Agent".

By-Laws. V: 3. Change to read, "sent to the Mission Secretary", not "to the Mission Business Agent".

VI: 9. Add Section 9 as follows: "C\$75 is permitted for each missionary and each child to be used for travel expenses only in connection with one vacation each term, after having been back on the field two full calendar years, the money to come from the China Council Missionary Health Fund." C.C. 38337.

IX: 1. Change to read, "The reports of the representatives of the Mission in union institutions shall be accompanied by the latest annual report of said institutions."

Delete "The Publicity Committee shall prepare a summary... ..for use as publicity matter in home letters."

Change to read, "shall be sent by the Mission Secretary", not "by the Business Agent".

Delete "The Publicity Committee shall see that.....to give the various reports."

IX: 2. Change to read, "to the Mission Secretary" and "The Secretary", not "Business Agent".

X. Delete "Office of" in the heading.

X: 1—c. Change to read, "The Business Agent shall be ex-officio member of the Mission Business Committee.", deleting the remainder of the sentence.

d—g. Delete in toto.

40110. *Annual Meeting, 1941, Chairman, election.* Mr. H. B. Refo was elected chairman of the 1941 annual meeting.

40111. *Business Agent, election.* Mr. J. P. Snyder was elected to succeed himself as Business Agent for the year beginning April 1, 1941.

40112. *Executive Secretary, election.* Rev. A. H. Van Etten was elected Executive Secretary and delegate to the China Council for the ensuing two-year period.

40113. *Alternate to China Council, election.* Mr. J. P. Snyder was elected alternate to the China Council for the ensuing two-year period.

40114. *Mission Council Members, election.* The following were elected members of the Mission Council for the term ending in 1942: Dr. C. G. Fuson, Miss Alice M. Carpenter, Dr. J.F. Karcher. Miss Gertrude Hill was elected to complete the term of the Rev. A. H. Van Etten.

40115. *General Assembly, Delegate and Alternate, election.* Dr. A. J. Fisher was elected delegate, and Mrs. A. J. Fisher alternate, to the 1941 meeting of the General Assembly.

40116. *Resolutions Committee, report.* On the recommendation of the Resolutions Committee as presented by Miss Schaefer, it was resolved;—

1. That the South China Mission record its heartfelt sorrow at the death of Dr. Charles E. Patton, which took place on October 7, 1939. Originally a member of our Mission Dr. Patton worked as a pioneer in the Kochow field where his twelve years' service was richly blessed. He early displayed great ability in administering mission affairs, and in fostering the spiritual life of all with whom he associated. Mrs. Patton's medical work was also much appreciated as they worked together among us. It was with sincere personal regret that our Mission saw them leave to enter the wider sphere of China Council work in Shanghai. However Dr. Patton's interest in his first field of missionary labor continued to bear fruit in advice and assistance.

To Mrs. Patton, we the members of the South China Mission, wish to express our sympathy with the prayer and hope that the memory of their long and well-spent years in China may bless and comfort her.

2. That the South China Mission record its grateful appreciation of Dr. W. H. Dobson's forty-three years of continuous service in Yeung Kong.

That record be made of the exceeding fidelity, resolution and persistence with which he gave himself to the healing of souls and bodies.

That we rejoice with him that upon retirement he was enjoying unimpaired health.

That we pray God's benediction upon him as he continues our mission in the homeland.

3. That the South China Mission give a vote of thanks to the Hospitality Committee for the arrangements made for its comfort and needs during the time of annual meeting.

That special thanks be given to Mrs. Herbert Thomson who made arrangements for the entertainment of delegates; to Mrs. Franklin Karcher for generously putting her home at our disposal for the meetings; to Mrs. Paul Snyder for planning the pleasant afternoon teas, and to Miss Avis D. Thomson for her willingness to do the humbler tasks necessary in the kitchen.

4. That our thanks be given to the members of the Laan Tau Camp whose help has made it possible for us to hold our 1940 Mission Meeting at the Camp. We are especially indebted to Mrs. Oscar Thomson, mess manager, and to Mr. W.E. MacDonald, camp manager, who did so much to make our stay in camp comfortable.

40117. *Minutes, Annual Meeting, approval.* It was voted to instruct the Mission Council to review the minutes of this annual meeting.

Adjourned.

Secretary.

SOUTH CHINA MISSION

SPECIAL MEETING

October 5, 1940
Gloucester Building, Hong Kong

Numbers 40118-40120

The death on September 30, 1940, of the Rev. A. H. Van Etten, one month after his election to the office of Executive Secretary of the Mission, left that office vacant. Due to the closing of the Pearl River and other difficulties of travel confronting them, the members of the Mission were still in Hong Kong. Present at this meeting were Miss Lois L. Armentrout, Rev and Mrs. M. S. Ady, Miss Edna M. Burkwall, Miss Alice M. Carpenter, Dr. and Mrs. C. G. Fuson, Rev. M. H. Gates, Miss Gertrude Hill, Dr. and Mrs. C. W. Lawson, Mr. and Mrs. H. B. Refo, Miss Grace M. Rupert, Miss Alice H. Schaefer, Miss Florence F. Pike, Mr. and Mrs. J. P. Snyder, Mrs. A. H. Van Etten, Miss Vella M. Wilcox, and Miss Rena D. Westra.

With Mr. Refo in the chair the following actions were taken

40118. *Executive Secretary, election.* The Rev. M. S. Ady was elected to succeed the late Rev. A. H. Van Etten as Executive Secretary of the South China Mission for the two year period 1940-1942.

40119. *Resolutions Committee.* See In Memoriam.

40120. *Memorial to Mr. Van Etten, committee.** Inasmuch as friends would like to make some tangible expression of appreciation of the life of Mr. Van Etten, the chair was instructed to appoint a committee for the formulation of plans for a memorial in connection with the reading room of the Tung Pei Student Center.

Adjourned.

GERTRUDE HILL,
Secretary.

*Chair appointed Mrs. M. S. Ady and Mrs. J. P. Snyder.

OUTFIT LIST FOR SOUTH CHINA

Climate. Short winter and long summer. Rains heavy for several months.

Before leaving America. Be re-vaccinated; have teeth put in good order; have eyes examined by a specialist, although there may appear to be no necessity for it. If you use glasses take two pairs or extra lenses and secure prescription. Because of the intense glare of the sun many people find it necessary to wear both Crookes lenses and dark glasses; poloroids are recommended. Start with clocks and watches in good repair; later repairs can be done in Hong Kong.

What to Take.

I. Clothing.

1. *Men's.* Underwear for summer should be very light; for winter the same as at home. For a short time in winter a heavy overcoat is needed, especially in itinerating. Clerical coat and dress suit are seldom used. Sweaters and sweater vests are valuable as houses are not heated. All the above can be purchased in Canton or Hong Kong at a lower price than in the United States. Shoes are made to order in Canton and Hong Kong; can be purchased in Hong Kong if easily suited, but one can get a better fit in the United States. Leave shoe size with a firm so that shoes can be ordered by mail. White socks are popular for hot weather. White clothes are worn seven or eight months of the year, and may be bought at a reasonable prize on the field. Dark suits can be made to order in Canton quite well and reasonably. Take all the clothes you already have at home, plus an extra hat and cap.

2. *Women's.* (a) *Footwear.* Take a good supply of shoes and stockings. Shoes should not be too close fitting. White shoes can be worn from April to November. Low heels and broad toes are comfortable in hot weather. Take shoes for tennis and hiking; one pair each of rubbers and goloshes. Leave your shoe size with a firm from whom shoes can be ordered by mail.

(b) *Underwear.* Take a plentiful supply of underwear, as light and cool as possible. Changes must be made much more frequently than at home. Laundry work is done by one's own servants.

Woolen stockings and woolen (or equivalent for sensitive skins) underwear are a necessity for cold weather. People who *never* wore them in America use them in South China.

Take an extra supply of foundation garments of the lightest weight.

(c) *Dresses.* Most of one's dresses should be washable and of fast colors. A good plan is to take a supply of dress materials, such as gingham, rayons, voiles, and have them made up by Chinese tailors as needed. The tailors work quite well from pictures and are very cheap. Better results are obtained if dresses are cut out for the tailor from one's own patterns.

Take at least twelve cool, washable dresses, old or new; not silk for summer. In addition you may need the following:

One or two heavy dresses and a winter suit

One evening dress

One or two dinner dresses for summer and the same for winter. For greater comfort winter dresses should have full length sleeves.

(d) *Wraps.* Take a spring coat (*light weight*), and a warm winter coat; a heavy sweater and several light ones; a warm scarf and as many light ones as you wish. If you have a light evening wrap, take it. Rain coats can be bought on the field.

(e) *Hats.* Take at least two cool light shade hats. Straw wears better than silk. Take winter hats as at home but fewer.

(f) *Gloves.* Fabric gloves are more satisfactory than kid. Only occasionally are gloves worn in summer. Warm gloves are needed for winter.

II. *Sewing Materials.* These are obtainable but expensive. Take sewing silk to match your dresses, white and black thread, darning cotton, buttons, lingerie straps, tape, scissors (rustproof if possible), shoe laces, embroidery thread, assorted bias tape, elastic (boil proof), pins (straight and safety). As needles rust quickly it is better to buy them on the field in steel cases.

III. *Toilet Articles and Drugs.* These may be purchased reasonably in Hong Kong. Take an initial supply of tooth brushes, cold cream, and any favorite toilet articles and drugs. Replenishments can be made on the field. Soaps and powders are cheaper in Hong Kong than in the United States.

IV. *Books and Magazines.* Take all of your books which might be useful for reference for yourself or your students, or for pleasure for yourself and colleagues. Especially useful are devo-

tional books, books of plays, of games, and collections of stories. A half dozen copies of your favorite hymn and song books will be useful. Subscribe to your favorite magazines. Books should be treated immediately upon arrival against cockroaches and bookrooms.

V. *Writing Materials.* Take a portable typewriter and typewriter ribbons; an initial supply of typing paper, carbon paper, stationery, pencils, loose leaf notebooks (rust proof if possible), and whatever else you may use for your work. All such supplies can be replenished on the field.

VI. *Miscellaneous.*

Tennis and badminton racquets
 Deck tennis ring
 Tennis balls packed in sealed tins
 Games of all kinds
 Good phonograph records
 Steamer rug
 Small clock
 Camera (films can be purchased on the field)
 College notebooks
 Catalogs of supplies, of everything that you might want to order from the United States

VII. *Furniture and Housekeeping Supplies.*

1. *For Single Women.* *Short term* workers are usually supplied with bed, bureau, desk, chairs, etc., and the part of the house used in common is furnished already. Articles listed on the left below are important; those on the right are useful but optional. *Long term* workers should bring bed with rustless springs and mattress (second rate mattresses are obtainable in Hong Kong), but have heavy furniture made on the field. Because of the long hot season and the use of mosquito nets, a *three-quarter or double bed* is preferable.

<i>Important</i>	<i>Also Useful</i>
Sheets, at least 8	Thermos bottles
Towels and wash cloths	Hot water bottle (aluminum)
Blankets, both wool and cotton	Pictures and ornaments
Pillow cases	Desk lamp
Bedspreads	Hammer, screw driver
Pillows	Sofa cushions
	Balls of stout string, several

2. *For Families.* Dishes, English and Chinese, are obtainable in Hong Kong. Take table silver. Plain and fancy linens are obtainable and cheaper in Hong Kong. Scotch blankets and linen sheets if desired are obtainable in Hong Kong. Ordinary sheets are best purchased in the United States. Take bath and face towels, wash cloths, comforters, blankets, and light coverlets. A steamer rug is almost a necessity on the steamer but can be rented. Mosquito nets are very often used over the beds but the netting can be bought and made up on the field. Drapery materials may be purchased in Hong Kong. Take pillows and sofa cushions.

Kitchen ware, such as can openers, paring knives, strainers, measuring cups, flour sifter, and convenient miscellany from the five and ten cent store are invaluable.

Mattresses and rustless springs are best brought from home. Frames can be made on the field although American beds are more satisfactory; a steel Simmons bed is very good to take. All furniture can be satisfactorily made in Canton or Hong Kong. Wicker furniture is commonly used and is pretty and inexpensive. It is therefore *not necessary* to provide a great deal of household outfit at home; it is important that as much as possible of the outfit allowance be reserved for use after reaching the field. Sewing machines are cheaper in Hong Kong than in America. If one takes a sewing machine, however, a Singer is preferable as parts may be obtained in Hong Kong. All stoves except large cooking stoves may be obtained in Hong Kong and Canton and are cheaper than in America. An adjustable curtain stretcher is useful but not essential.

Electric current is available in Canton but not in Linhsien or Yeung Kong. Even in Canton electricity is uncertain and it is considered rather expensive to run such equipment as fans, irons, heaters. An electric refrigerator, however, or an Electrolux, is increasingly regarded as a necessity. Most electrical fixtures can be purchased in Canton or Hong Kong, also lamps and lamp shades. Kerosene pressure lamps are obtainable in Hong Kong and Canton. If one is taken be sure to take also mantles, globe and other extra parts.

The voltage of electricity in Canton is the same as in America, 110. But Hackett's plant is 220 volts, 60 cycles, A. C., which is the same as in Hong Kong.

Radios should be of all wave type and should be "tropic proofed" if possible. Most of the important stations received are on the 31 meter and 25 meter band. A radio with band spread covering the 31 meter band is ideal. Only battery sets are usable in Linhsien and Yeung Kong.

Bicycles can be bought in Hong Kong and Canton. It is difficult to buy parts for American bicycles.

VIII. *Personal Items.* Any personal articles that one likes at home are *valuable* in China. Chinese pictures are obtainable but home pictures and any bright cheerful articles are appreciated. If desired take a few unframed pictures. Good picture framing is done in Canton at a reasonable price. Victrolas are a great joy. Birthday and other candles will be a satisfaction. Five and ten cent store notions, especially tissue paper and ties for gift parcels, are most useful.

Route. Via Japan and Hong Kong. Time, less than one month.

Packing Trunks. A low, flat steamer trunk is very useful on the steamer. All woolen goods should be packed with gum camphor as a protection against moths. Smaller and medium size trunks are more easily handled than large ones. Army lockers are a good size as they are easy to transport in country travel.

Packing and Shipping Freight.

1. *General.* Before making shipment of goods, correspond with the Treasurer in New York as to the cheapest and best route; freight may be sent to the Board rooms in New York, or to Montgomery Ward and Company in Chicago for packing and shipping.

The freight of outgoing missionaries should be shipped several months in advance of their sailing in order that it may reach the field soon after their arrival.

All goods should be packed in stout cases, barrels and crates, as compactly as possible, taking into consideration the time, distance and risk of the journey, and especially the risk from water and dampness. It should be remembered, too, that the Board's freight allowance for new missionaries covers only two measured tons per person. A measured ton is equivalent to 40 cu. ft.

All cases should be lined with several thicknesses of water-proof paper or other water-proof material, and should be bound with iron or wooden straps.

2. *Stoves.* These should be packed in extra stout crates and all loose castings and furnishings should be packed in a separate box or barrel, with the exception of light fixtures, which may be wrapped in soft packing and put into the oven.

3. *Books.* In many countries the customs laws require that books should be packed separately. This can well be applied to all countries. Wrap each book separately in newspaper or stronger paper before packing. Always advise packers that books are for export, and request that they give special care to their selection of cases and to packing.
