REPORT OF THE WOMAN'S AUXILIARY
FOR THE YEAR ENDING JUNE 30, 1916

The work of The Woman's Auxiliary of the Cathedral of S. Mary and S. John, Manila, P. I, for the year 1915-1916, has been to help as funds permitted the needs of the various missions of the church within the islands. The membership of the Auxiliary has varied from month to month as members left for furlough or in some cases for retirement of their husbands from occupations in the islands. The membership of army women is at all times subject to change, and this year was no exception to the rule. The work accomplished by the Auxiliary was as follows:
1. A sum to educate a Japanese girl at Osaka.
2. The usual yearly apportionment.
3. A gift of money to Miss Whitcombe at Bontok to repair ravages of the typhoon.
4. 2 cottas and 2 cassocks to the Rev. R. B. Ogilby at Baguio.
5. 40 camisas to Easter School, Baguio.
6. 50 garments to S. Luke's Hospital, Manila.
7. 36 garments to Miss Whitcombe, Bontok.
8. Sale of Work to dispose of the work of the various missions.
9. 3 large boxes of garments to Mrs. Hargreaves, Besao.

This is a brief summary of the work done by the women of this faraway branch of the Woman's Auxiliary.
Respectfully submitted,

MARJORIE K. BAYNE,
Secretary.

REPORT OF THE SUPERINTENDENT AND HEAD NURSES
OF S. LUKE'S HOSPITAL FOR THE YEAR
ENDING JUNE 30, 1916

The year was one of hard work, as the long delayed and much
needed work of renovating the Hospital by building the maternity
wing and diet kitchen was begun in April, 1915.

The Doctor's House was begun at the same time and the addi­
tion of a porch to the front of the Nurses House. When the porch
was completed, the private patients from the Hospital were moved
into the Nurses House while the rebuilding of the Hospital was
going on, the nurses being temporarily quartered in the Hospital.

Miss Ramsay who had served the Hospital for five years, returned
to Scotland to take up work with the Red Cross, Miss Martha Hall
was married to Mr. H. E. North, Miss Riddle and Miss O'Malley,
temporary nurses, returned to America.

The Bishop left for the Convention after giving diplomas to
the Sixth Class of Nurses, Rita Gloria, Soledad Abary, Josefa Ca­
burian and Adela Viduya. Rita Gloria and Adela Viduya went
to Olongapo to do district work under the direction of Mrs. Simpson,
who most generously financed the work and laid the foundation
for a Hospital. Soledad Abary and Josefa Caburian were employed
in the Hospital as head nurses.

This Report cannot be closed without thanking the Women's
Board of Managers for their hearty support and cooperation during
this year of hard work and many trials.

The addition of the Maternity wing was made possible by the
gift of P5000.00 given by the Women's Board. In addition to this,
they gave P1100.00 to build a better and more convenient entrance
to the Hospital.

Respectfully submitted,

E. T. HICKS,
Superintendent.
