Extracts from a communication from the Bishops connected with the Mexican Commission.

The undersigned, placed by the House of Bishops upon the Commission in charge of the relations of the Protestant Episcopal Church in the United States, with the "Mexican Branch of the Catholic Church of our Lord Jesus Christ militant upon earth," have, in the discharge of duties thus devolved on them, become deeply impressed with the extreme importance of the spiritual movement now going on in the development and organization of the work of their Mexican brethren; and also with the pressing need of the continued liberal assistance of the work by our branch of the Church.

The "nursing care" of our Church is pledged to her infant sister, in the covenant now ratified, under the authorization of the House of Bishops, for the impartation to her, in due season, of the gift of the Episcopate. Much diligent caution has been used in all the arrangements thus far made to that effect. It is our confident trust that our brethren of the Clergy, and of the Laity, will not be wanting on their part in redeeming the pledge so made, by extending a generous helping hand to promote the financial support absolutely indispensable for carrying the growing work of evangelization to its full establishment in a Church system provided, as with Bishops, so with Pastors, Missionaries, candidates for Holy Orders, Schools, and places for assemblage in public worship.

It rarely falls to the lot of Christians to have so favorable an opportunity of helping forward the Blessed Master's work by contributing freely of their worldly goods.

As firmly maintaining the faith once delivered to the saints, even to the very death; and as faithfully working, against the most bitter opposition, and under the deepest discouragements, in the Lord's great harvest, with very manifest tokens of His blessing; we most earnestly commend our sister Church in Mexico to the love and zealous aid of all, of both sexes, and of every station in our own branch of the Church of Christ.

SECOND ANNUAL REPORT

OF THE

League in Aid of the Mexican Branch of the Church.

1877—1878.

The first year of this Association closed with manifest evidences of growing interest in the cause, and we most gratefully record that each successive month has brought us substantial tokens that the blessing of God has attended our labors.

The summer months were not idle or unproductive ones. An active correspondence was carried on, and many thousand copies of pamphlets, prepared and published by the Rev. Dr. H. C. Riley, at his own expense, were widely circulated. So far as most imperative and tender duties permitted, he has visited and addressed congregations and meetings in various dioceses.

Through his instrumentality several new branches have been formed and much individual interest aroused.

Early in May, by invitation of the Rev. Dr. Harwood, Rev. Dr. Riley visited New Haven, and a Branch League was established, from which we gratefully receive constant reminders.

In the latter part of the same month we were joined by a society in Baltimore, which had previously done brave work for the cause, and is now one of our most vigorous and efficient branches.

A journey to Canada, in June, resulted in the formation of a Branch at the Hellmuth Ladies’ College, London, Ontario, and a report has just been received in which the Association resolves to aid the League as much as possible. A generous contribution was also transmitted by the Synod of Huron.

The Lord Bishop, when presenting the Rev. Dr. Riley to his clergy, spoke of the work in Mexico as “the greatest Mission of the Church of Christ since the Reformation of the sixteenth century. He recommended a yearly collection for it in the Churches of his Diocese, and will present its claims to the Clergy and Laity of the Church of England on his approaching attendance at the Pan-Anglican.

A full report of the work of the League was read by the Corresponding Secretary, at the Fourth General Meeting of the Woman’s Auxiliary,
held in Boston, on the 12th of October last, during the session of the Convention. This report, which was published in *The Churchman* and other Church papers, served to diffuse information and awaken sympathy.

The work of the Church in Mexico is recognized and the League is represented in the Massachusetts Branch of the Woman's Auxiliary, which has recently been organized under the auspices of the Bishop of the Diocese.

Through the personal efforts of a lady of extensive social influence in Boston we have also received some very liberal gifts.

In Providence, Rhode Island, a Branch League has been formed, under wise and efficient leadership; and we are indebted to Bishop Stevens, of Philadelphia, for the inauguration of another Branch, which gives promise of thorough and earnest work. The friends of the cause in that Diocese have done so much in the past, that the alliance is hailed with heartfelt satisfaction.

The gratifying intelligence has just reached us that a Branch has also been organized in Zion Church, Parish of St. Andrew's, Charlestown, West Virginia. Meanwhile the work has been cared for by the older branches, with much interest and energy, each in its own way: some by procuring Church collections and individual subscriptions, others by private effort.

The Cincinnati Branch has done nobly in assuming the support of the Rev. Mr. Maruri, and of the little orphan Maria, the child of a deceased member of the Church of Jesus. It has also contributed to the Orphanage.

The monthly meetings of the Central Board have been well attended, and evince a steadily increasing interest in the work. Addresses from Bishop Young, of Florida, Rev. Dr. Riley, Bishop-elect of Mexico, Rev. Drs. Washburn and Hobart, and Rev. Messrs. Albert Zabriskie Gray and Abbott Brown, have stimulated and encouraged us; while much loving interest has been awakened by the letters received from Mexico for the faithful few who are striving in the midst of difficulties and persecution to preach "the unsearchable riches of Christ."

We have recently been so highly favored as to meet with a Mexican lady who, having herself found the true light, pleads for her benighted country with an earnest simplicity which cannot fail to touch all Christian hearts.

The last meeting of the Baltimore Branch was most successful; the Rev. Dudley Ferguson made a brilliant address before a large audience, nine of the resident Clergy being present.

The meeting in Philadelphia, on the 12th inst., was highly gratifying, the attendance being numerous, notwithstanding the inclemency of the
weather. Bishop Stevens presided, and the Rev. Abbott Brown, as representing the League, made the opening address. An interesting meeting was also held on the 18th inst. at St. Peter’s Chapel, Brooklyn; the Rev. Abbot Brown spoke of the claims and needs of the sister Church in Mexico, and of the importance of organized effort in its behalf. Upon these occasions the Mexican lady made an affecting appeal in behalf of the struggling Church in her native land. The Rev. Dr. Riley, being on the eve of his departure for Mexico, closed both meetings with a farewell address.

The League has distributed during the past year many thousand copies of reports and pamphlets. The Rev. Dr. Hobart’s able “Papers on Church Reform in Mexico” have also been circulated, and we gratefully acknowledge the gift of fifty copies from the Rev. A. Z. Gray of his instructive and interesting work, “Mexico As It Is.”

We are indebted to many rectors for words of encouragement and for offerings from their congregations and Sunday-schools, and to the editors of the Church papers for the use of their columns and their generous commendations of the work.

Our Treasurer reports the receipt of $12,604 since our last Annual Meeting, March 7th, 1877.

The funds of the Society have been transmitted from the date of our organization, up to December 27th, 1877, through the Rev. Dr. Riley, to Albert E. Mackintosh, Esq., Treasurer of the Church of Jesus in Mexico.

But since the reorganization of the Missionary work of the Church, and the assumption by the Foreign Committee of the charge and responsibility of the work in Mexico, the “League” has entered into Auxiliary relations with the Missionary Society of the Church, under Article VIII. of the Missionary Canon of the General Convention of 1877.

At a meeting of the “League,” December 26th, 1877, the following Resolution was adopted and communicated to the Secretary of the Foreign Committee: “That inasmuch as the Foreign Committee has taken on itself the obligation to sustain the work in Mexico, the League will do its utmost to assist the Foreign Committee to redeem that pledge.”

In accordance with the Resolution, the Treasurer of the League sent to the Foreign Committee, December 27th, 1877, the funds to meet a draft for £227 sterling, for the support of the work of the Church in Mexico, and will henceforth forward to Mexico, through the same channel, all moneys received.

The Auxiliary Committee appointed by the Bishops of the Mexican Commission to raise funds for the work in Mexico have done the
League the honor of submitting propositions for conjoint action, and a conference meeting was held on the 9th of January last to consider them.

But while fully appreciating the value of the Committee's influence in behalf of the cause, the proposal was deemed inexpedient, inasmuch as the League had entered into Auxiliary relations with the Missionary Society of the Church.

In view of the approaching return of the Rev. Dr. Riley to Mexico, it was deemed advisable to invite the Rev. Abbott Brown to aid the League in its efforts to advance the reformation in Mexico, by addressing congregations and organizing Branch Leagues throughout the country.

Recent advices from the City of Mexico bring us the gratifying intelligence that the desire for a purer faith is steadily increasing.

Upon the occasion of the thanksgiving festival, on New Year's eve, the Chapel of St. Francisco was crowded, many of the worshippers standing during the greater part of the service.

The Rev. Thomas Valdespino delivered an eloquent address, and closed by speaking in the warmest terms of the Rev. Dr. Riley's indefatigable labors for the cause, and also of the "holy zeal" of the Mexican League.

The Rev. Mr. Maruri has recently visited the congregations in the vicinity of the City of Mexico, and was much impressed by their religious enthusiasm; he reports that many other congregations could be formed with a very small outlay.

The Rev. Prudencio Hernandez, Bishop-elect of the rural districts, has removed to Cuernavaca, the capital of the State of Morelos. The congregation there is next in importance to those in the City of Mexico. It was established in 1870. The Rev. Mr. Hernandez writes that "since that time to the present they have run the gauntlet, surrounded with difficulties, encompassed with perils and sufferings which they have constantly endured from the persistent and unjust persecution of the Romanists." They are doing a good work for the Church of Jesus in Mexico. It is an important centre for Missionary work, as there are now twenty-five congregations in the State of Morelos, many of them self-supporting and flourishing.

Mrs. Hooker gives most encouraging and interesting accounts of the forty orphan girls she is training with loving care as Christian teachers. Several of them are supported by classes in our Sunday-schools, at the small charge of $60 a year; and if all of them could be so cared for, it would establish a tender bond between the youth of the two Republics. Our faithful correspondent, Miss Grut, has charge of a day-school, and also teaches in the Sunday-schools. Being a native of South America,
she is most efficient and useful, going from house to house reading and explaining the Scriptures.

The Christian periodical, the "Verdad," has reached us in its new type, the gift of the League. It is ably edited, teaching the great truths of the Gospel, and combating error with courage and wisdom.

We close this Report of the year's labors with profound gratitude to God for what we have been enabled to accomplish, and with sincere thanks to those who have aided us, and will only add a few words as to our future.

The importance of sustaining a work of such magnitude and promise must commend itself to all who desire the extension of our Lord's kingdom.

The Rev. Dr. Riley leaves us for his distant and difficult field of duty, but he goes in the confident hope that the League will spare no effort to raise the funds needed to support the work.

The Foreign Committee recognize us as the special agents for this cause, and the necessity is laid upon us to be faithful to the trust.

Twenty-five thousand dollars a year will place the work on a firm basis, and this can easily be raised without conflicting with the claims of any other work of the Church.

God has blessed us all with some measure of influence, and each member of the League can interest and bring in others.

The smallest contributions will be thankfully received, and funds can be raised in any manner which does not conflict with the dignity of all work for Christ and His Church.

We present in the name of the League our sincere thanks to the Rev. Dr. Riley for his untiring and valuable efforts in organizing and promoting the interest of the Association.

May God prosper him and his co-laborers in their noble work, and inspire us to pray fervently and give generously.

Respectfully submitted,

Charlotte A. Hamilton,

Corresponding Secretary.

STATEMENT OF THE REV. H. C. RILEY, D.D.

I have received from the Treasurer of the League in aid of the Mexican Branch of the Church, Miss M. A. Stewart Brown, from the 31st of March to the 31st of December, 1877, $8,233, which has been devoted to the following objects:

I. To purchase and distribute Spanish Bibles and for Bible depot, $400.

II. To pay their small monthly salaries to five ordained clergymen, and to twenty-two lay readers, teachers, and other workers of the Church in Mexico, $4,320.

III. To aid in meeting the expenses of its schools and orphanage, $1,800.

IV. To publish Spanish Prayer Books and Hymn Books, a weekly Spanish Church paper, for type, and for an advertisement in The Churchman, $300.

V. For Church buildings and for general expenses, $1,413.

A large part of the work of the Church in Mexico is self-supporting; but another, and a very important part, to be continued, needs the assistance of the Church in other lands.

In the name of the Church in Mexico I most sincerely thank the League for what they have so nobly done in its behalf.

The contributions of the League since the 1st of January, 1878, have been forwarded to the Treasurer of the Church in Mexico, A. E. Mackintosh, Esq., through the Foreign Committee.

H. CHAUNCEY RILEY.

ENCOURAGING WORDS FROM SEVERAL BISHOPS.

The undersigned, members of the "Mexican Commission," appointed by the Bishops of the Protestant Episcopal Church, cordially approve the formation, by the women of the Church, of a Mexican League, for the purpose of obtaining the means required for carrying forward the work of "The Mexican Branch of the Catholic Church of our Lord Jesus Christ militant upon earth," and otherwise aiding the same.

W. R. WHITTINGHAM, Bishop of Maryland,
Chairman of the Mexican Commission.

ALFRED LEE, Bishop of Delaware.
G. T. BDELL, Bishop of Ohio.
WM. BACON STEVENS, Bishop of Pennsylvania.
A. CLEVELAND COXE, Bishop of Western New York.
JOHN B. KERFOOT, Bishop of Pittsburgh.

GLencove, August 11, 1876.

MY DEAR MADAM: I regret that my absence from home deprived me of the opportunity of signing the endorsement of "The Mexican League," by the Bishops of "The Mexican Commission." As a member of that Commission, I beg to express my cordial approval of the plan which has been adopted to excite a more general interest in the pressing needs of the great reform movement now going on so hopefully in Mexico; and I pray that the Association over which you preside may be instrumental in securing the sympathy and aid which are now so urgently demanded by the exigencies of that noble cause.

Very faithfully yours,

A. N. LITTLEJOHN,
Bishop of Long Island.

MRS. FORDYCE BARKER, President.

In Mexico there is going on a religious struggle for an open Bible, for freedom in religious opinions in which all Protestant Christendom is profoundly interested, and in which we are able and bound to render material aid as well as sympathy and prayers. Voluntary Societies outside of our chartered institutions can do much.

God bless the Mexican League.

B. B. SMITH,
Bishop of Kentucky.

BALTIMORE, February 1, 1876.

MY DEAR BISHOP:

I have very great satisfaction in affixing my signature to the paper approving of the proposed movement among the ladies of New York in
behalf of the work in Mexico. I have long regarded the seeming want of general interest and support of that work in the Church as its most discouraging hindrance, and earnestly hope that the intended League may spread among Churchwomen of every shade of opinion, so that the aid afforded may be given without room for a shadow of suspicion that party views or party aims are at all mixed up in the prosecution of a work which most assuredly has nothing in it of a partisan nature.

It is a matter of much rejoicing that the women of the Church seem to be, at the present time, so generally and effectually waking up to a sense of their own importance in the Master's scheme of work, and consequently availing themselves of their high privilege of sharing with the Marys and Joannas, Phoebes and Priscillas of the first age of the Church in the ministry of Christ, of their substance, and in helpfulness in the labors of His ministering servants. May the "Mexican League" prove a signal instance of successful exertion of the kind.

Ever faithfully and lovingly,

Your friend and Brother,

W. R. Whittingham,
Bishop of Maryland.

RT. REV. ALFRED LEE, D.D.,
Bishop of Delaware.

WILMINGTON, DEL., January 18, 1876.

MY DEAR MISS HAMILTON:

I am extremely obliged for your interesting letter, and rejoice to learn of the contemplated Mexican League. I feel a strong assurance that it will be a valuable and efficient helper to the good work going on in Mexico. As one of the Mexican Commission, I am happy to express my cordial approval of the plan.

With sincere regard, your friend,

ALFRED LEE,
Bishop of Delaware.

MISS C. A. HAMILTON, Secretary.

Having lately conversed with the Rev. Dr. Riley, of the Mexican Church, and having had the privilege of reading a letter signed by the Bishops constituting the Commission having charge of the Mexican Religious Organization, I am happy to express my warm interest in that movement, and in the Christian work connected with it, and I am happy to learn that this work is to have the sympathy and support of the ladies of Calvary church, and of other congregations of this city and diocese.

May God prosper them in their kindly Christian efforts, and give them favor with all our good people.

Horatio Potter,
Bishop of New York.
THE LEAGUE
IN AID OF THE
MEXICAN BRANCH OF THE CHURCH

Has been organized with the hearty approval of the following Bishops, constituting the Mexican Commission:

- The Bishop of Maryland,
- The Bishop of Delaware,
- The Bishop of Ohio,
- The Bishop of Pennsylvania,
- The Bishop of Pittsburgh,
- The Bishop of Western New York,
- The Bishop of Long Island.

The Foreign Committee of our Church has accepted the responsibility of caring for the work of the Church in Mexico "in faith that the sum" needed for that purpose "will be contributed, over and above the usual contributions for Foreign Missions."

Funds are needed:

I. To purchase and distribute Spanish Bibles.

II. To pay their small monthly salaries to five ordained clergymen and to twenty-two lay-readers, teachers, and other workers of the Church in Mexico.

III. To aid in meeting the expenses of its schools and orphanage, and to firmly establish a theological seminary.

IV. To publish Spanish Prayer-Books and Hymn-Books, a weekly Spanish Church paper, and other Christian publications.

V. To meet the necessary expenses of Church buildings.

The League is actively engaged in raising the funds needed for these objects, and earnestly solicits your gifts and cooperation.

In connection with the work now aided by the League, seventy-one congregations have been gathered, three in the capital, and the rest in other parts of the republic of Mexico; a faithful, able, and eloquent band of native missionaries has been raised up in their midst; Church schools have been established, where a very large number of children have been carefully taught the Bible, and have received a good secular education; a theological seminary has been preparing young men for the ministry; Divine services have been statedly celebrated, and the precious Gospel preached in two beautiful Church buildings in the city of Mexico; an orphanage has been started in a former convent building in that city; a periodical called The Truth has been regularly published, from a fine printing-press obtained for the use of the Church in Mexico, and other publications have been prepared that have influenced multitudes; many thousands of copies of the Spanish translation of the Holy Scriptures have been circulated with most blessed results; and much other Christian work has been faithfully done.

By addressing the Rev. Abbott Brown, General Secretary, No. 21 West Thirty-fourth street, New York, parishes may have the subject presented by him, and by a Mexican Lady who is earnestly desirous of aiding the cause.

Contributions, whether large or small, in aid of that work are earnestly solicited, and can be mailed directly to the address of the treasurer of "The League," Miss M. A. Stewart Brown, care of Messrs. Brown Brothers & Co., No. 59 Wall street, New York, U. S.
