MINUTES
OF
KOREA WOMAN'S CONFERENCE, 1926.
SEOUL, KOREA, JUNE 18, 1926.

The twenty-eighth session of the Korea Woman's Conference was opened in the Ewha parlors with Bishop Welch presiding. It was opened by singing "Jesus, I Come to Thee."

Bishop Welch spoke from Acts 4:12-23 taking for his thought the graces that are within us. In the beginning he said that we are falling short of what God is expecting of us unless we have some characteristics that are not traceable to apparent human causes. We judge and form opinions artificially, God is the only one who can understand the motives within us and knows that we have tried. Criticism is probably the easiest habit for us all to form. "Anoint our eyes with eye salvé, give us the ability to see down beneath the surface of others' lives," would be the prayer we might well all learn to pray. We are really judging ourselves because we are picking out the things in others that are akin to our own natures.

We need the power to appreciate others and cheer them on in the work God has appointed them to do.

After the hymn "Jesus Calls Us" was sung, Bishop Welch led in prayer, closing with The Lord's Prayer. After the hymn "Draw Thou My Soul, O Christ," the Conference had the pleasure of hearing a solo "Spirit of God" rendered by Miss Laura Yi.

Fifty-nine members responded to the roll call.

The reports of the nominating committee was read by Miss Kostrup. The following officers were elected:

- President ... ... ... ... Bishop Welch
- First Vice President ... ... Mrs. Welch
- Second Vice President ... ... Mrs. Alice Jung.
- Recording Secretary ... ... Miss Blanche Bair
- Treasurer ... ... ... ... Miss Esther Hulbert.

By motion Miss Helen Kim was elected as the official interpreter for the Conference.
The report of membership committee was given by Miss Church. She stated that Miss Cha Sa Paik was automatically dropped because she was not employed by our work of the Woman's Foreign Missionary Society.

The matter of new members and the discontinuing of those who do not attend the Conference was referred to the membership committee and they are to report later.

The report of the Corresponding Secretary was given by Miss Walter. This is merely a report of information as to what has been done by the Reference Committee during the year. She also presented the necessity of every W. F. M. S. worker giving annually a financial report of every sum of money entrusted to her, aside from her personal salary. All workers leaving on furlough are to leave a balanced, audited account with account books, bank books and check and deposit stubs to the worker who is to take up the work.

The report of Conference treasurer was given and accepted. She reported a balance of Yen 54.07. The motion was made and carried that the treasurer be instructed to collect the usual dues of fifty sen from the members of the Conference.

It was moved carried that Yen 50.00 from the Conference fund be appropriated to Miss Hillman for translation work.

The reports of the following Committees—Evangelistic, Medical, Educational and Social Service were asked for, but as the committees had not met it was suggested that we adjourn and give them an opportunity to meet.

Bishop Welch closed the session with a word of prayer.

JUNE 18.

The afternoon session was opened with the song "Faith is the Victory". Bishop Welch then led in prayer.

After the reading and acceptance of the minutes Miss Troxel favored us with a solo, "Thou Art Our Father".

Mrs. Van Buskirk presented the welcome address to the new members of our Conference both Korean and Foreign and
those who have returned from furlough. Those who received the hearty welcome were:

Miss Young, Mrs. Anderson, Mrs. Morris, Miss Laura Yi, Miss Helen Kim, Mrs. Helen Choi, Miss Fannie Cho, Miss Un Suk Saw, Miss Troxel, Miss Stover, Dr. Marian Hall, Mrs. Alden Noble, Miss Laird, and Miss Keister. A very appreciative response was given by Miss Laird.

"News from our friends at home" was fully presented by Miss Van Fleet. Those spoken of were as follows: Misses Butts, Hess, Dicken, Dillingham, Estey, Grove, Hatch, Haynes, Marker, Payne, Royce, Scharpff, Wood, Pye, and Trieschmann, Mrs. Deming, Follwell, Lacy and Swearer.

Miss Starkey, the Fraternal Delegate of the West Japan Conference, had an appreciative audience as she brought greetings from the Conference. She introduced Miss Zueda, her co-worker in Korea and Mrs. Shirato, the wife of the Pastor of the Japanese church in Seoul.

The reports of the Evangelistic workers were given as follows:

Miss Starkey reported on the Japanese work in Korea.

It was moved and carried that statements regarding the necessity of auditors for accounts be made and that a committee of two be appointed.

Miss Miller opened a discussion on "Do the present day tendencies call for changes in evangelistic methods?" It is
the consensus of opinion that we must carry out some of the following:

Instill thriftiness.

That we bring new thoughts into the lives of the people. The possibility of starting a new magazine was discussed but it was concluded that we put all our effort into the Christian Messenger and make it a more worth while magazine.

Mrs. Billings followed with the suggestion to do positive temperance work, saying that the services of Mrs. Mary Son are available at any time.

No action was taken but it is hoped that Miss Hillman will include in her report next Conference any findings concerning magazine work.

It was moved and carried that the Woman's Council meet Saturday evening at eight o'clock.

Bishop Welch asked that the report of committees be given in Korean as well as in English.

Adjourned with prayer by Bishop Welch.

Frey Hall, June 19.

The devotions of the morning session led by Bishop Welch were opened by singing hymns number thirty one and thirty in the Fellowship Hymns.

After silent waiting before God voluntary prayers were offered. We then united in singing, "O, Master, Let Me Walk with Thee." The Scripture lesson was found in Philippians 2:1-11 and Bishop Welch spoke from the fourth verse, "Not looking each of you to his own things but looking each of you to the things of others." Forgetfulness is not to be praised especially self-neglectfulness. It is necessary to love ourselves, for that is self-respect but the exhortation is to love others as ourselves.

Selfishness is acute self-consciousness and self-conceit is the outgrowth of self-consciousness. Self assertion is a mark of weakness especially if we think of it from the Heavenly
standpoint. Christ humbled Himself. To forget self we must remember our fellow workers. The fact is that "my success" is not so important as the success of God's cause, therefore team work is very essential."

After singing "Father, I know that all my life is portioned out for me," Bishop Welch closed the devotions with a very helpful prayer.

After reading and acceptance of the minutes, Miss Church presented recommendations of the membership committee. These were adopted. The following new members were elected.

Dr. Hattie Kim, Miss Pauline Kim.

Reports of Medical work, four minutes given to each report, were presented by the following.

Pyeng Yang    ...    ...    ...    Dr. Cutler.
Pyeng Yang    ...    ...    ...    Miss Anderson
Pyeng Yang    ...    ...    ...    Miss Gaylord
Haiju         ...    ...    ...    Miss Lund
Chemulpo      ...    ...    ...    Miss Kostrup
Kongju        ...    ...    ...    Miss Boring

Mrs. Morris read Mrs. Carlson's report from Wonju, and Drs. Hall and Ahn reported work at Lillian Harris Memorial, East Gate, Seoul.

Miss Rosenberger reported on Public Health work at Social Evangelistic Center, Seoul.

We then united in singing "Speed Away."

Miss Helen Kim led a very profitable discussion on "How can we best meet the moral problems among the young people?"

It was moved and carried that the chair fill the vacancy of Mrs. Chaffin on the Field Property committee. Miss Lulu Miller was appointed to act pro tem.

REPORT OF SOCIAL SERVICE COMMITTEE.

The conference for public health workers approved in our first resolution last year was held at the Social Center in April. Many members of this conference were on the program, which included lectures on child welfare, baby feeding, dietetics, public health, school also home and clinic visitation. Stereoptican views and health movies made the teaching vivid. There was a short examination and certificates were given at the end. Twelve workers attended and not one missed a lecture. They were so interested that that could not be said of suppers.

The health programs announced last year were so welcomed that when more were asked for Taigu, Miss Gaylord had to have them printed again. All the missions in Korea are using them.

Mrs. VanBuskirk has translated a book called "Good Health". This translation was approved by Dr. Yoo and has appeared in the Christian Messenger.

Many of you know Miss Morris' little book, "To a Baby's Mother", which is being found useful.

The Rescue Home now building by the Salvation Army is expected to be ready for use in September. Individual gifts have amounted to ¥950.00, all that is on hand for running expenses. Anything friends can do will be much appreciated by those in charge.

RESOLUTIONS OF THE SOCIAL SERVICE COMMITTEE.

Whereas the health program material gathered by this
committee has been so popular, we recommend that it be
given to the Christian Literature Society for wider publication.

We recommend that short, popular health talks be pre-
pared for both the Christian Messenger and a daily newspaper.

Whereas the suggested book on etiquette has not yet ap-
peared, we recommend that a series of talks on manners be
prepared for the newspaper, and a book be printed as soon as
possible.

Whereas the conflict of old and new ideas is the source of
much confusion in Korea at present, we make special effort to
increase our helpful friendly relations with the young people.

REPORT OF THE MEDICAL COMMITTEE.

The subcommittee of the medical committee have met
several times during the past year and at this time presented
to the committee a draft for a constitution and by-laws for the
Board of Managers of Dispensaries and Public Welfare work,
which was accepted by the committee and will be presented to
this body by Dr. Cutler.

1. We recommend that the Woman’s Conference give their
financial support to the efforts of the Nurses Association of
Korea, in providing Public Health Literature and Textbooks
for our Nurses Training Schools.

2. Appreciating the Public Health Course given to our
graduate nurses during the past year, we also recommend that
the Woman’s Conference take up the question of financial sup-
port of this work and do what may be possible in furthering
the same.

3. Since the work of the medical and social service com-
mitees overlap, we recommend that the medical division of
the social service committee also be members of the medical
committee.

4. The General Board members of the Pyeng Yang
Hospital are considering turning over the work to the Korean
workers as soon as advisable and would like a statement from the Woman's Conference as to their standing on this question and we recommend that it be discussed at this Conference.
